

DISCLAIMER:

The information presented on or through this website is made available solely for general information purposes, and is not to be considered a source of legal guidance or advice. Phoenix Contact does not warrant the accuracy, completeness or usefulness of this information. Phoenix Contact may update the content on this website from time to time, but its content is not necessarily complete or up-to-date, and is subject to change without notice. Any of the information on this site may be out of date at any given time, and Phoenix Contact is under no obligation to update such information. Any reliance you place on such information is strictly at your own risk and without recourse to Phoenix Contact. Phoenix Contact disclaims all liability and responsibility arising from any reliance placed on such information by you or any other visitor to this site, or by anyone who may be informed of any of its contents.

All Export Control Classification Number (ECCN) provided on this website reflect Phoenix Contact's interpretation of the EAR as applied only to its products and technology, do not reflect the customer's end product which may incorporate them, and are subject to change without notice. Phoenix Contact makes no representation as to the accuracy or reliability of these ECCNs, and it is the obligation of the exporter to comply with applicable U.S. export control laws and to provide classification information at the time of export. Phoenix Contact encourages you to seek appropriate legal advice and/or consult the EAR and the BIS Information Technology Controls Division before exporting, re-exporting, or distributing Phoenix Contact's products.
