## Technical data

### Product properties

|                   |                         |
|-------------------|-------------------------|
| Product type      | Protective cap          |
| Product family    | CHARX connect universal |
| Type              | Accessories             |
| Charging standard | AC/DC CCS Typ 2         |
| Charging mode     | Mode 4                  |

### Material specifications

|                    |              |
|--------------------|--------------|
| Color (Housing)    | black (9005) |
| Material (Housing) | Plastic      |

### Environmental and real-life conditions

#### Ambient conditions

|   |                          |
|---|--------------------------|
| Degree of protection (Protective cap)   | IP54                     |
| Ambient temperature (operation)         | -30 °C ... 50 °C         |
| Ambient temperature (storage/transport) | -40 °C ... 80 °C         |
| Altitude                                | 5000 m (above sea level) |

### Mounting

|                              |                  |
|------------------------------|------------------|
| Mounting type Protective cap | Plug-on assembly |
|------------------------------|------------------|
