

# VS-FSBPXS-OE-94F/5,0 - Device connector rear mounting

1424164

<https://www.phoenixcontact.com/us/products/1424164>

Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Device connector rear mounting, Ethernet CAT6<sub>A</sub> (10 Gbps) CAT6<sub>A</sub>, 8-position, Socket, straight, M12-SPEEDCON, X-coding, on free cable end, Bus line, cable length: 5 m, For railway applications, this item is expected to be lead-free from Q2 2026 in accordance with RoHS II without exception 6c (Pb < 0.1%), a lead-free alternative is possible on request in advance

## Your advantages

- Preassembled with cables in various standard lengths for immediate use
- Customer-specific assemblies and cable lengths can be supplied
- Sealed on the cable side for optimum tightness of seal
- Cable designs for all common networks and fieldbuses
- For high transmission safety: shield connection to the housing with optional EMC nut

## Commercial data

## Technical data

### Notes

|                     |  |
|---------------------|--|
| Notes on operation  | The electrical and mechanical data specified assume that the connector pair is correctly locked and mounted. If the connector is unlocked and if there is a danger of contamination, the connector must be sealed using a protective cap > IP54. Influences arising from litz wires, cables or PCB assembly must also be taken into consideration. |
| Order information:  | Lock nut is included in the scope of delivery  |
| Note on the contact | Contact connection method: Crimp connection  |

### Safety note

|  |  |
|--|--|
| Safety note  | WARNING: The connectors may not be plugged in or disconnected under load. Ignoring the warning or improper use may damage persons and/or property.   |
|  | <ul style="list-style-type: none"> <li>• WARNING: Commission properly functioning products only. The products must be regularly inspected for damage. Decommission defective products immediately. Replace damaged products. Repairs are not possible.</li> </ul>  |
|  | <ul style="list-style-type: none"> <li>• WARNING: Only electrically qualified personnel may install and operate the product. They must observe the following safety notes. The qualified personnel must be familiar with the basics of electrical engineering. They must be able to recognize and prevent danger. The relevant symbol on the packaging indicates that only personnel familiar with electrical engineering are allowed to install and operate the product.</li> </ul> |
|  | <ul style="list-style-type: none"> <li>• The products are suitable for applications in plant, controller, and electrical device engineering.</li> </ul>  |
|  | <ul style="list-style-type: none"> <li>• When operating the connectors in outdoor applications, they must be separately protected against environmental influences.</li> </ul>   |
|  | <ul style="list-style-type: none"> <li>• Assembled products may not be manipulated or improperly opened.</li> </ul>  |
|  | <ul style="list-style-type: none"> <li>• Only use mating connectors that are specified in the technical data of the standards listed (e.g. the ones listed in the product accessories online at <a href="https://www.phoenixcontact.com/products">phoenixcontact.com/products</a>).</li> </ul>   |
|  | <ul style="list-style-type: none"> <li>• When using the product in direct connection with third-party manufacturers, the user is responsible.</li> </ul>   |
|  | <ul style="list-style-type: none"> <li>• For operating voltages &gt; 50 V AC, conductive connector housings must be grounded</li> </ul>  |
|  | <ul style="list-style-type: none"> <li>• Ensure that when laying the cable, the tensile load on the connectors does not exceed the upper limit specified in the standards.</li> </ul>  |
| <ul style="list-style-type: none"> <li>• Observe the corresponding technical data. You will find information: <ul style="list-style-type: none"> <li>o On the product</li> <li>o On the packing label</li> <li>o In the supplied documentation</li> <li>o Online at <a href="https://www.phoenixcontact.com/products">phoenixcontact.com/products</a> under the product</li> </ul> </li> </ul> |  |
| <ul style="list-style-type: none"> <li>• Only use tools recommended by Phoenix Contact</li> </ul>  |  |
| <ul style="list-style-type: none"> <li>• Use a protective cap to protect connectors that are not in use. The suitable accessories are available online in the accessory section of the product at <a href="https://www.phoenixcontact.com/products">phoenixcontact.com/products</a></li> </ul>   |  |

## Product properties

|                      |                         |
|----------------------|-------------------------|
| Product type         | Data cable preassembled |
| Application          | Railway applications    |
|                      | On the device side      |
| Sensor type          | Ethernet                |
| Number of positions  | 8                       |
| No. of cable outlets | 1                       |
| Coding               | X                       |
| Thread type          | M12                     |

## Insulation characteristics

|                      |     |
|----------------------|-----|
| Overvoltage category | III |
| Degree of pollution  | 3   |

## Interfaces

|                      |                                      |
|----------------------|--------------------------------------|
| Bus system           | Ethernet                             |
| Signal type/category | Ethernet CAT6 <sub>A</sub> , 10 Gbps |

## Signaling

|                        |    |
|------------------------|----|
| Status display         | no |
| Status display present | no |

## Electrical properties

|   |  |
|---|--|
| Rated surge voltage                     | 0.8 kV   |
| Contact resistance                      | ≤ 3 mΩ   |
| Insulation resistance                   | ≥ 100 MΩ   |
| Nominal voltage U <sub>N</sub>          | 50 V AC  |
|   | 60 V DC  |
| Nominal current I <sub>N</sub>          | 0.5 A (Plug/socket in accordance with IEC 61076-2-101, cable technical data is to be observed) |
| Transmission medium                     | Copper   |
| Transmission speed                      | 10 Gbps  |
| Transmission characteristics (category) | CAT6 <sub>A</sub>  |

## Mechanical properties

### Mechanical data

|                             |       |
|-----------------------------|-------|
| Insertion/withdrawal cycles | ≥ 100 |
|-----------------------------|-------|

## Material specifications

|  |       |
|--|-------|
| Material Housing                       | GD-Zn |
| Material Housing surface               | Ni    |
| Material Insulating body               | PPA   |
| Material Contact                       | CuZn  |
| Material Contact surface               | Au    |
| Material Seal                          | FKM   |
| Flammability rating according to UL 94 | V0    |
| Seal material                          | FKM   |

## Connection data

### Connection technology

|                   |          |
|-------------------|----------|
| Connection method | Bus line |
|-------------------|----------|

### Conductor connection

|                         |                                   |
|-------------------------|-----------------------------------|
| Contact connection type | Socket                            |
| Connection method       | Bus line                          |
| Tightening torque       | 2 Nm ... 3 Nm (Installation-side) |

## Connector

### Connection 1

|                   |          |
|-------------------|----------|
| Head design       | Socket   |
| Head cable outlet | straight |
| Head thread type  | M12      |
| Head locking type | SPEEDCON |
| Coding            | X        |

### Connection 2

|             |                |
|-------------|----------------|
| Head design | free cable end |
|-------------|----------------|

## Cable/line

|              |     |
|--------------|-----|
| Cable length | 5 m |
|--------------|-----|
