Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Sleeve housing, Range of articles: VARIOCON, design: VC1, color: gray, When using fiber optics, the bending radii of the cable manufacturers must be observed.

## Commercial data

Item number	1886634
Packing unit	5 pc
Minimum order quantity	1 pc
Sales key	AB01
Product key	ABLAAB
GTIN	4017918848057
Weight per piece (including packing)	240.086 g
Weight per piece (excluding packing)	240.086 g
Customs tariff number	85389099
Country of origin	PL

## Technical data

### Notes

#### Safety note

##### Safety note

WARNING: The connectors may not be plugged in or disconnected under load. Ignoring the warning or improper use may damage persons and/or property.

- WARNING: Commission properly functioning products only. The products must be regularly inspected for damage. Decommission defective products immediately. Replace damaged products. Repairs are not possible.

- WARNING: Only electrically qualified personnel may install and operate the product. They must observe the following safety notes. The qualified personnel must be familiar with the basics of electrical engineering. They must be able to recognize and prevent danger. The relevant symbol on the packaging indicates that only personnel familiar with electrical engineering are allowed to install and operate the product.

- The products are suitable for applications in plant, controller, and electrical device engineering.

- When operating the connectors in outdoor applications, they must be separately protected against environmental influences.

- Assembled products may not be manipulated or improperly opened.

- Only use mating connectors that are specified in the technical data of the standards listed (e.g. the ones listed in the product accessories online at [phoenixcontact.com/products](https://www.phoenixcontact.com/products)).

- When using the product in direct connection with third-party manufacturers, the user is responsible.

- For operating voltages > 50 V AC, conductive connector housings must be grounded

- Ensure that the protective or functional ground has been properly connected.

- VDE 0100/1.97 § 411.1.3.2 and DIN EN 60 204/11.98 § 14.1.3 are applicable when combining several circuits in a cable and/or connector

- Observe the corresponding technical data. You will find information:

- o On the product
- o On the packing label
- o In the supplied documentation
- o Online at [phoenixcontact.com/products](https://www.phoenixcontact.com/products) under the product

- Only use tools recommended by Phoenix Contact

- The installation notes/Design In documents online on the download page at [phoenixcontact.com/products](https://www.phoenixcontact.com/products) must be observed for this product.

- Use a protective cap to protect connectors that are not in use. The suitable accessories are available online in the accessory section of the product at [phoenixcontact.com/products](https://www.phoenixcontact.com/products)

- Operate the connector only when it is fully plugged in.

- Ensure that when laying the cable, the tensile load on the connectors does not exceed the upper limit specified in the

	standards.
	<ul style="list-style-type: none"><li>• Observe the minimum bending radius of the cable. Lay the cable without twisting it.</li></ul>
	<ul style="list-style-type: none"><li>• The connector warms up in normal operation. Depending on the ambient conditions, the surface of the connector can continue to warm up. In this case, the user is responsible for posting warnings (e.g. DIN EN ISO 13732-1:2008-12).</li></ul>

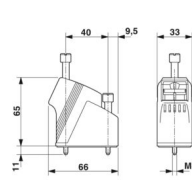

## Product properties

Product type	Sleeve housings
Housing type	Sleeve housing
Product family	VARIOCON
Type	VC1
No. of cable outlets	1
Number of module slots	2
Type of the screw connection	M20
Shielded	no
Cable outlet	slanted

## Connection data

Tightening torque	1.2 ... 1.8 Nm
-------------------	----------------

## Dimensions

Dimensional drawing	
Width	33 mm
Height	65 mm
Length	66 mm

## Material specifications

Color	gray
Color of the housing part	gray
Material Housing	Die-cast zinc
Material	NBR (O-ring)
Material Seal	EPDM, conductive
Flammability rating according to UL 94	V0
Material of locking screw	Brass, nickel-plated

## Mechanical properties

### Mechanical data

Type of the screw connection	M20
Locking type	Screw

## Environmental and real-life conditions

### Ambient conditions

Degree of protection	IP67 (IEC 60529)
	IP65/IP66/IP67
Ambient temperature (operation)	-40 °C ... 125 °C
