Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

DIN rail housing, Housing half shell (left), tall design, with vents, width: 6.3 mm, height: 99 mm, depth: 112.85 mm, color: black (similar RAL 9005), cross connection: DIN rail bus connector (optional)

## Your advantages

- Easy installation
- Variety of connection technology

## Commercial data

|                                      |               |
|--------------------------------------|---------------|
| Item number                          | 2201426       |
| Packing unit                         | 10 pc         |
| Minimum order quantity               | 10 pc         |
| Product key                          | ACHABZ        |
| GTIN                                 | 4046356803861 |
| Weight per piece (including packing) | 20.43 g       |
| Weight per piece (excluding packing) | 19.14 g       |
| Country of origin                    | DE            |

## Technical data

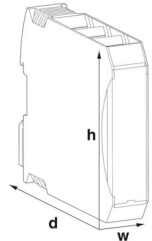

### Notes

|                |   |
|----------------|---|
| Assembly note  | Please observe the application note in the download area.             |
| Recommendation | Material of contact pads for bus connector, galvanic gold (hard gold) |

### Product properties

|                              |                     |
|------------------------------|---------------------|
| Product type                 | Housing half shells |
| Housing type                 | DIN rail housing    |
| Housing type                 | Modular housings    |
| Housing series               | ME-MAX              |
| Product family               | ME MAX.. 3-3        |
| Number (Connection openings) | 6                   |
| Ventilation openings present | yes                 |

### Dimensions

|                                 |   |
|---------------------------------|---|
| Dimensional drawing             |  |
| Width                           | 6.3 mm  |
| Height                          | 99 mm   |
| Depth                           | 112.85 mm   |
| Depth from top edge of DIN rail | 107 mm  |

### PCB design

|               |                   |
|---------------|-------------------|
| PCB thickness | 1.4 mm ... 1.8 mm |
|---------------|-------------------|

### Material specifications

|  |                  |
|--|------------------|
| Color (Housing half-shell)             | black (RAL 9005) |
| Material Housing half-shell            | PA               |
| Flammability rating according to UL 94 | V0               |
| CTI according to IEC 60112             | 600              |

### Environmental and real-life conditions

#### Ambient conditions

|   |  |
|---|--|
| Max. IP code to attain                  | IP20   |
| Ambient temperature (operation)         | -40 °C ... 105 °C (depending on power dissipation) |
| Ambient temperature (storage/transport) | -40 °C ... 55 °C                                   |

|                                       |                  |
|---------------------------------------|------------------|
| Ambient temperature (assembly)        | -5 °C ... 100 °C |
| Relative humidity (storage/transport) | 80 %             |

## PCB data

|                      |                   |
|----------------------|-------------------|
| Type of PCB mount    | Latching          |
| Thickness of the PCB | 1.4 mm ... 1.8 mm |

## Mounting

|               |  |
|---------------|--|
| Mounting type | Latching with housing half-shell or intermediate element |
|---------------|--|
