INTERBUS Rugged Line adapter for converting the remote bus connection and the power supply from twisted pair to M23 circular connector

The figure shows different versions of the bus connector with accessories

Your advantages

- The adapters can be used to switch between fiber optics and copper as the transmission medium or to convert to an M23 connector.

Commercial data

Item number	2734112
Packing unit	1 pc
Minimum order quantity	1 pc
Product key	DRI5Z1
GTIN	4017918810795
Weight per piece (including packing)	199.4 g
Weight per piece (excluding packing)	199.2 g
Country of origin	DE
