WebVisit 5 is the engineering tool used to create web visualizations for all controllers with integrated web server. The Pro version includes functions such as alarm lists, trends, a user management feature, URL jumps, and other popular functions.

Product description

In addition to the basic functions, the Pro version of WebVisit contains the following macros:

- User level management
- Pointer tool
- URL jumps
- Alarm generation
- Trending
- Animated GIFs

Your advantages

- Macro library with functions such as alarm lists, trends, a user management feature, URL jumps, etc.
- Engineering tool used to create web visualizations for all controllers with integrated web server
- No programming knowledge is necessary for the creation of visualization pages
- The visualization pages are displayed in any standard browser

Commercial data

Item number	2988890
Packing unit	1 pc
Note	Made to order (non-returnable)
Sales key	DR13
Product key	DRDABA
GTIN	4046356177511
Weight per piece (including packing)	310.5 g
Weight per piece (excluding packing)	310.5 g
Customs tariff number	85234925
Country of origin	DE

Technical data

Product properties

Product type	Visualization
--------------	---------------

System properties

Control system	(Target system) Embedded controller
Type of software	On-premises
Intended use for the software	Web editor

License information

Type of license	Single-user license
	Freeware

Functionality

Basic functions	The user interface has a functional design and even the basic version offers numerous graphic basic elements and functions.
	The variables needed for visualization are imported directly from PC Worx.
Control system	(Target system) Embedded controller
Associated hardware	Phoenix Contact control
Number of I/O nodes	128000

System requirements

Operating equipment	Keyboard, mouse
Operating system	Windows® 10 (32-bit/64-bit), as of Build 1511
	Windows®11, as of Build 22000.675
Processor	min. Intel® Pentium® 4 / Celeron® 1,6 GHz
Hard disk memory	min. 2 GByte
Supported browsers	Internet Explorer Version 8 or later
Languages supported	English
Screen resolution	XGA (1024 x 768)

WEBVISIT PRO - Visualization software
